**Gently used dirt bike. Brand new chain, oil always changed with synthetic Mobil - \$600**  
**(MIDDLETOWN)**

image 1 of 2

Mechanics special! Just needs a little tlc!!!! This bike was one hot running SOB. It did have a small fuel leak, it currently does not leak fuel. I wouldn't bother with new plastic. Mount a 2 gal fuel can on this thing! Some new tires and you will be ready to burn up the trails!!!
